

## **The Power of an exchanged Life**

Putting on the New Man is not about "life change". Life change can be experienced through many avenues. People go to AA and experience life change, or they become a Hindu or a Buddhist and experience life change. Maybe they get a new job or meet a girl and their life is changed. Many things can result in "life change". **Putting on the New Man is about experiencing "life exchange"**. It is about putting on the New Man Christ Jesus and walking in newness of life. It is about the power of an exchanged life. Glory to God. The old man has been crucified with Christ - past tense, done, or in the words of our Savior - "It is finished". And now the New Man Christ Jesus lives in us. For "I have been crucified with Christ; and it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith in the Son of God, who loved me, and delivered Himself up for me." (Gal 2:20) May God grant you the revelation of the exchanged life that can be found only in the Lord Jesus Christ, and may it become a daily reality in your life.
